LinkedIn: LinkedIn/VishalSharma

Technical Skills

- Programming: C, C++
- Web Technologies: HTML, CSS, JavaScript
- Frontend: React.js, Tailwind CSS, Bootstrap
- Backend: Node.js, Express.js
- Database: MongoDB
- Version Control: Git & GitHub
- Design Tools: Canva, Figma (basic)
- Tools: VS Code, WordPress

Certifications

- DSA in C++ – CodeHelp
- NPTEL Programming in C & C++ – IIT Roorkee
- MERN Stack Development – CodeWithRandom

Soft Skills

- Problem Solving
- Team Collaboration
- Time Management
- Communication Skills
- Adaptability
- Quick Learner

Languages

- English
- Hindi

Vishal Sharma

MERN Stack Developer

Summary

Final year B.Tech Computer Science student with hands-on experience in MERN stack development, real-time applications, and responsive web design. Experienced in working on live projects and internships, with a strong focus on building scalable and user-centric web solutions.

Education

B.Tech – Computer Science & Engineering (2022–2026)
Gurugram University (GITM) — **7.5 CGPA**

Major Projects

Random Chatter – Real-Time Chat Application

- Developed a real-time chat application using Node.js, Express & Socket.IO
- Implemented live messaging with scalable backend architecture
- Focused on performance, uptime, and smooth user experience

Book Store Management System (Team Project)

- Built a MERN-based platform for buying, selling, and exchanging books
- Implemented authentication, CRUD operations, and MongoDB schemas
- Collaborated with team members for backend and UI integration

College Timetable Management System (Team Project)

- Designed a web-based system to manage subjects, faculty, and schedules
- Developed as a semester submission project with team collaboration

Internship Experience

Web Development Intern – ReachCure (Nov 2024 – Jan 2025)

- Worked on live client websites and UI enhancement tasks
- Improved responsiveness, layout consistency, and performance
- Collaborated with designers and backend developers on production work
